We will hike the Cobblestone and Rough Go trails to Lake Ilsanjo and return via Live Oak, Rough Go and N. Burma trails. The roundtrip distance is about 6 miles with an elevation gain of 400 ft. Our route should take about 3--3 ½ hours, including a lunch stop.

Meet at 10 AM at the dirt parking lot across from Cobblestone trail on Channel Drive before the Visitor Center, and leave promptly by 10:15 AM. Please bring plenty of water and a bag lunch. This hike is sponsored by California State Parks and the Valley of the Moon Natural History Association.
